SUPPLEMENT

TO

Wholesale and Bargain Lists.

PLEASE READ.

In sending out the catalogues to which this list is a supplement, collectors will bear in mind that they are the remainder of the edition, having been first issued in March. A number of items have been sold, particularly from "Bargain List," where the lines of Foreign silver and copper are nearly all gone and a good proportion of balance of catalogue.

For this reason do not remit until goods are received, as some of the items desired may be sold. For new bargains see this list.
